

The Colorado Health Foundation™

We believe health and well-being can be in reach for everyone.

So we collaborate with organizations and communities in Colorado to break down systemic inequalities that stand in the way of our health.

Funding

We fund organizations that are working to advance health equity and racial justice across Colorado. Learn more about our funding types, eligibility, application processes and deadlines.

Equity & Justice

We collaborate with organizations to break down systemic barriers to achieving health equity and racial justice. Learn why we prioritize communities of color in all that we do.

Our Priorities

We have chosen 10 priority areas where we can make a real difference in the health of Coloradans. Learn why these priorities are so important to health equity and racial justice.

Policy Advocacy

We work closely with advocates and policymakers across the state to advance public policies that align with our 10 priority areas. Learn more about our policy agenda.

Pulse Poll

We believe in listening, first. Through our annual Pulse Poll, we get the perspectives of adults across the state on a range of health issues. Learn how we use it to inform policy.

Studies & Reports

We engage in research and analyses to expand how we think about health and understand which solutions have lasting impact. Browse or download the Foundation's studies and reports.
